STEM Field Trip Pilot

Charlotte Motor Speedway is opening its facility to Cabarrus County and Charlotte-Meck school systems beginning Fall 2011. The STEM activities designed by Ten80 will be tested by middle school students from the area.

**Ten80 Student Racing Challenge
2011 National Finals**

You are invited to cheer on America's future professionals in the 2011 Ten80 Student Racing Challenge National Finals. Since October 2010, student teams in grades 6 - 12 have been accumulating points through a variety of activities including a head-to-head races, time trials and science, math, engineering and math (STEM) projects. On Saturday May 7th, 2011 the points leaders from around the U.S. are coming together to compete at Charlotte Motor Speedway.

Charlotte Motor Speedway Information

Please do not call the Speedway directly. All questions regarding the Student Racing Challenge should be directed to Ten80 at 518-588-7895 or toll free at 1-855-Ten80Ed.
